Kathleen asked me to send you the revised BDCP briefing paper for Bob P. that incorporates yesterday's discussions with Cynthia and Ken. It now includes a recommendation and talking points for Bob at the beginning, and the options have been restructured as Plan A and Plan B. I can send this out to the larger group (including folks at HQ), but wanted you to have it first. If you have any questions, please let me or Kathy Goforth know. I hope you're feeling better soon!
